

## Team cooking

### Swing the wooden spoon together as a team

You experience yourself as the perfect host and culinary artist. Under the expert guidance of an experienced chef and gastro professional, a 4-course menu is prepared and enjoyed together in the kitchen. Each participant receives the recipes for cooking. This is fun, also strengthens the team feeling and the cozy get-together. The ideal combination of team spirit, fun and culinary enjoyment.

If the time window allows, a Gastro Team Challenge or a Swiss wine seminar can be booked in advance.
